U NK DF RISE CAP S CB SNBK P

Designed for the gym, work and everywhere in-between, do it all with the Nike Dri-FIT Rise Cap. The structured, high-depth design features stretchy, sweat-wicking fabric that's meant to maintain its shape all day long. Top it off with a flexible snapback so you can confidently hit each stride and rep in your routine.

Nike Dri-FIT technology moves sweat away from your skin for quicker evaporation, helping you stay dry and comfortable.

4-way stretch twill fabric is smooth and lightweight.

Buckram is a stiff cotton fabric that's fused to the front panels to maintain its structured shape.

Snapback closure gives a throwback feel and an adjustable fit.
