FASHIONABLE YOKE FLEECE VEST

Rooted in the urban fashion scene and embracing the current trends among outdoor retail brands, the Highland yoke fleece vest supplies a highly fashionable appearance. Crafted from a fleece fabric made of recycled polyester, this versatile piece of outerwear combines excellent thermal retention with comfort, weather protective features and functionality.

Cut in a unisex fit and with added details such as a comfortable high collar, reversed zipper and smooth yoke overlay, Highland has a clean design, which is perfect for both a weekend escape and an everyday modern appeal.

FABRIC Fleece: 100% Recycled Polyester.
 Contrast fabric: 100% Polyester (yoke, pockets and outside collar).

COLOUR Black, Navy

WEIGHT Shell: 300 g/m² | Contrast fabric 140 g/m² | Pocket lining 160 g/m²
